SUMMER GAMES SLOGAN

The slogan for Special Olympics Indiana's 49th Summer Games is "You Can!", an homage to the spirit of the Special Olympics movement that is such a key part of everything we do. Together, the individuals who make this event possible—the athletes, coaches, volunteers, and staff — can change the world through the transformative power of sports.

SWIMMING (FORMERLY AQUATICS)

In an effort to be consistent with FINA (the international governing body for watersports), Aquatics will now officially be called Swimming. All publications and documents will now refer to this sport as Swimming.

Based on your feedback, Swimming will start at 1:30 PM on Friday (Coaches Meeting at 1:00 PM) to allow swimmers more time to experience Olympic Town and Healthy Athletes, which are both opening at 10:00 AM! During this time on Friday, swimmers will be given priority in the Healthy Athletes lines. There will be a bus (one at 9:30 AM, one at 9:45 AM) available to take swimmers from the Rose-Hulman bus stop to Olympic Town. Stay tuned for more details.

POWERLIFTING

Due to construction, Powerlifting will be in a new venue this year. We will be utilizing the Multi-Activity Court located in the Student Rec Center (also the Volleyball venue) at Indiana State University.

THE ADRENALINE ZONE PRESENTED BY FINISH LINE

Encourage your athletes to stop by the new challenging activity stations offered in the Adrenaline Zone tent in Olympic Town. The Adrenaline Zone will challenge your flexibility, endurance, balance and strength while having fun with Finish Line volunteers hosting these various athletic activities. This tent also counts as one of the six Healthy Athlete stops in Olympic Town on Friday and Saturday.

FREE SHOES FOR HEALTHY ATHLETES

As a Champion Sponsor of Special Olympics Indiana, Finish Line will be providing each athlete that completes a screening in three of the six Healthy Athletes® disciplines with a new pair of shoes. We are thrilled to offer this incredible opportunity to our athletes and encourage them to be proactive with their health by participating in the FREE health screenings that will be offered in the Healthy Athletes area at Olympic Town.

FESTIVAL OF CHAMPIONS

As always, the Festival of Champions will be an evening filled with exciting entertainment and activities for athletes of all ages to enjoy, including a worship service, a Police K-9 demonstration, a magic show, and plenty of dancing! New this year, the festival will be held at Dede Plaza in the area surrounding the iconic fountain on the campus of ISU.

RUN UNIFIED RELAY

This premiere event will combine select sponsor participants and Special Olympics athletes in a competitive 4 x 100 relay to raise money for Team Indiana. Spectators are welcome and encouraged to attend.

 - Lost athlete
2. Cell phone – Heads of Delegation or designees are required to provide a cell phone number which will be on throughout the Games to be used for contact in emergency situations. If delegations are split with some athletes on campus and others in hotels, each group must designate an on-site contact person and provide his/her cell phone number.
3. Off-Campus Housing arrangements are the responsibility of the delegation, including:
 - Reservation of needed rooms
 - Incidentals (use of phones, pay-per-view television, room service, etc.)
 - Facility procedures for weather or fire emergency
 - Supervision by qualified staff in the use of swimming pools and other recreational facilities
 - Keys and other hotel property
4. Code of Conduct – Athletes, Unified Partners and Chaperones must follow the Special Olympics Code of Conduct, including:
 - Refraining from the use of non-prescribed drugs or alcohol
 - Refraining from gambling during any scheduled Special Olympics event
 - Adherence to established facility rules and regulations (including quiet hours, maximum number of people per room, use of roll-away beds, etc.).

 - All Class A volunteers (coaches/chaperones) entered by a County Program MUST be registered volunteers and have completed the Coach/Volunteer Application, Coach/Volunteer Orientation (CVO), and Online Protective Behaviors (OPB).
 - The athlete to chaperone ratio should not exceed 4:1. Athletes with significant needs may require more supervision.
6. Room sharing guidelines include:
 - No males and females may share rooms, unless they are husband and wife or parent and child.
 - Athletes should be grouped within a delegation so roommates are of similar age and ability to avoid the likelihood of one athlete taking advantage of another more vulnerable athlete.
 - In rare cases, delegations may choose to mix their delegation with another. This is allowed as long as both delegation leaders agree and they follow all established guidelines.
7. All accessibility information should be requested through the hotel or facility. In regards to Summer Games, it will be included in the final packets. 8. At Summer Games, the exact room locations for athletes in wheelchairs or those who need extra help in case of emergencies (those with visual impairments, hearing impairments, etc.) must be reported to the State Office Staff. This information will be forwarded to the front desk staff for use during emergency situations. Information and Volunteer Services

West Campus at Indiana State University will have an Information and Volunteer Services tent in Olympic Town, at the corner of 1st Street and Chestnut. If you have questions or need to obtain a replacement bib or credentials, to pick-up additional Games Handbooks, or to find directions, this is the place for you.

Event volunteers will be utilizing this tent to check-in for their shifts at Track & Field, Bocce, and Olympic Town. The t-shirts located there are not for sale and are only for the event volunteers.

SEATING

Indiana State University and Rose-Hulman have limited spectator seating available at their sports venues. **WE HIGHLY RECOMMEND THAT COACHES AND SPECTATORS BRING PORTABLE CHAIRS!**

Please do not place chairs in competition areas or in areas that block emergency access.

SHADE AND SUNSCREEN

Gibson Track has very limited shade. With the amount of sun exposure, sunscreen is a must to keep athletes protected from the sun. Delegations are asked to bring sunscreen and pop-up tents for their team camp area to help fight the sun exposure. Additional sunscreen will be available at water stations.

BUG SPRAY

With the amount of rain this spring, bugs can be a problem at the outdoor venues. Consider bringing a can of bug spray.

TEAM CAMP AREA

There are two areas in which delegations may set up a Team Camp. We highly encourage this, as the Gibson Track facility has few areas of shade. Each Team Camp area will be 16 feet by 16 feet. We project space available for 45 Team Camps. Team Camps will be assigned on a first come, first served basis via an online registration process. Registration will be BEFORE the Games, not when you arrive.

SUNDAY	JUNE 11	7:45 AM	12:00 PM

MEDICATIONS

Each delegation member must have a sufficient supply of all prescription medications to last each athlete’s entire stay. In addition to the necessary medications, each coach should have the following with him/her for every athlete on medication:

- An accurate list of medications being taken by every person.
- A schedule of these medications indicating the dosage and times of administration.
- A notation of why each person is taking such medications.
- Athletes who take responsibility for self-administration of medications while at home may continue to do so during their stay. Athletes who are assisted by a parent, guardian or other responsible person when taking medications should be assisted by a designated volunteer throughout Summer Games.

PRESCRIPTION PURCHASES

Should the need arise for the purchase of prescription medications or non-prescription medical supplies, the CVS Pharmacy, located at 9th and Poplar Street, provides 24-hour service. Neither the Games Organizing Committee nor the medical services providers will assist in the purchasing of any prescriptions or supplies. The responsibility belongs to the HOD.

Compliance

We need all members of our delegations to be official members. For athletes, that means an application on file with the State Office. We will check for their medical forms at the Games during delegation check-in.

For delegation volunteers – whether coaches, chaperones or Unified Partners – they must be in VMS, (Volunteer Management System) and have completed the 5 steps to be a Class A Volunteer. Unified Partners also must be Class A volunteers. For more specific information, check [Page 28](#) of the Program Information Guide.

In order to be housed with the delegation, whether at ISU, Rose-Hulman, or in a hotel, the person must be an official member of the delegation. This is for us to remain compliant with the Special Olympics International housing policy, found on [Page 27](#) of the Program Information Guide.

MINORS: Whether a coach, volunteer, or Unified Partner, all youth will register through VMS.

YOUTH AGES 14-17

- Youth applicants who have not reached their age of majority (age 18) may be accepted as volunteers in non-supervisory positions only.
- A background screening will not be completed. While some information pertaining to the background screening may be asked, that information will not be stored or utilized.
- A youth applicant must complete all five steps.

YOUTH AGES 8-13

- Youth applicants under age 14 must be chaperoned by an adult.
- A background screening will not be completed. While some information pertaining to the background screening may be asked, that information will not be stored or utilized.
- Parents and/or guardians of the youth applicant must complete the five steps for their dependent. This will allow the parent/guardian to understand the protocols taken by Special Olympics Indiana to ensure the safety of all participants, including their dependent.
- Youth ages 8-13 may find information in the Coach-Volunteer Orientation interesting and educational.
- Parents and/or guardians should review the information within the Protective Behaviors training and Concussion Awareness training before sharing with their dependent. This information may be sensitive in nature.

Boxed lunches should be eaten within two hours of the pick-up time.

Boxed Lunches

ALL BOXED LUNCH ORDER REQUESTS will be done ONLINE. An email will be sent to the County Coordinator and HOD on Friday, May 26. This is the same date that the final competition schedule will go out. Review the schedule, see who needs a boxed lunch, and respond. The boxed lunches must be ordered by Friday, June 2.

For your convenience, we will have ONE order for all possible meals with boxed lunches. You will be ordering the following boxed lunches, if you choose:

- Saturday lunch for HORSESHOES
- Saturday lunch for WEST CAMPUS (track & field and bocce)
- Sunday lunch for ISU delegations (same as always, same pick-up location, you are just ordering the lunches before arriving to the Games. And one less thing to worry about during check-in).
- And Sunday lunch for Rose-Hulman delegations

SATURDAY BOXED LUNCH OPTIONS

The competition Schedule will be available on Friday May 26. At this time HODs will have the option to order boxed lunches for:

- Saturday lunch for HORSESHOES
- Saturday lunch for WEST CAMPUS (track & field and bocce)

This isn't an "all or nothing" situation. You have the option of ordering some boxed lunches for athletes at these venues, while others may benefit from lunch in the AC on campus. If you have some athletes who do not compete on Saturday morning, don't have them come over to West Campus for lunch. Have them go to the dining commons as always.

DAYS-ONLY DELEGATIONS

For Days-Only Delegations, your entry fees do not cover meals. However, for the cost of each boxed lunch, you can opt into this program as well. Exact costs are unknown at this time. Contact Jeff Mohler at the Special Olympics Indiana State Office (jmohler@soindiana.org) for more information or to sign up.
