

2016 Leadership Retreat Kahoot Survey Results

Special Olympics
Indiana

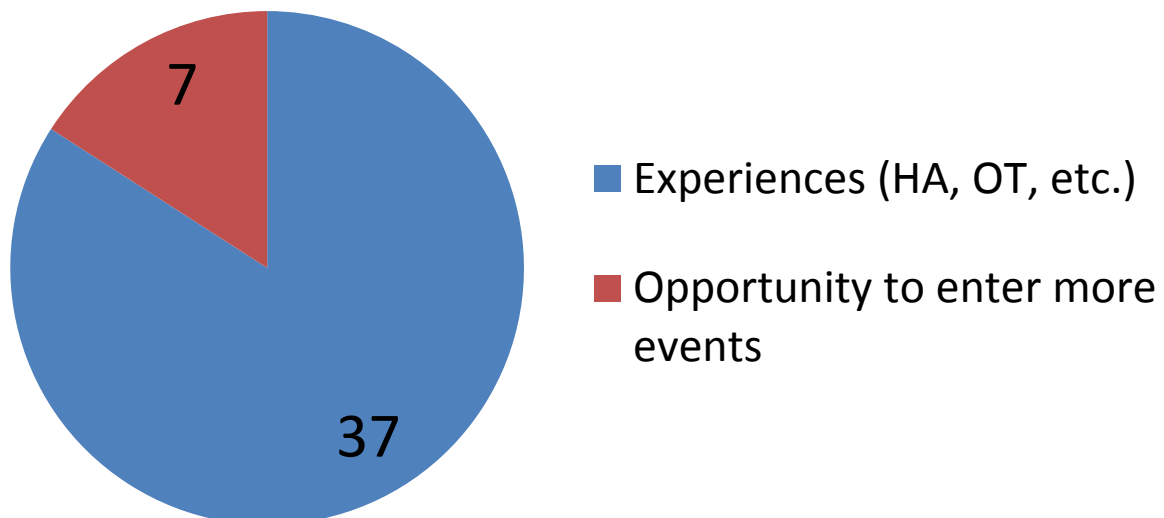

During the 2016 Leadership Retreat, breakout sessions were held to discuss the following topics:

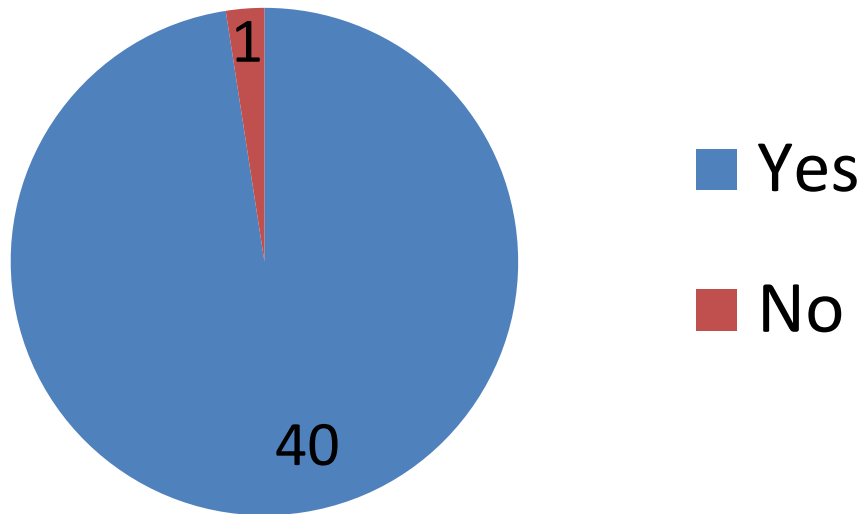

1. Potentially starting the 2018 Summer Games on Friday morning
2. How to build quality Area and County Management Teams
3. How to transition Unified Champion Schools athletes to county programs

Based on the discussions that happened in those sessions, additional questions were created for the approximately 40 County Coordinators and Area Team Members in attendance. Here is the breakdown of their responses...

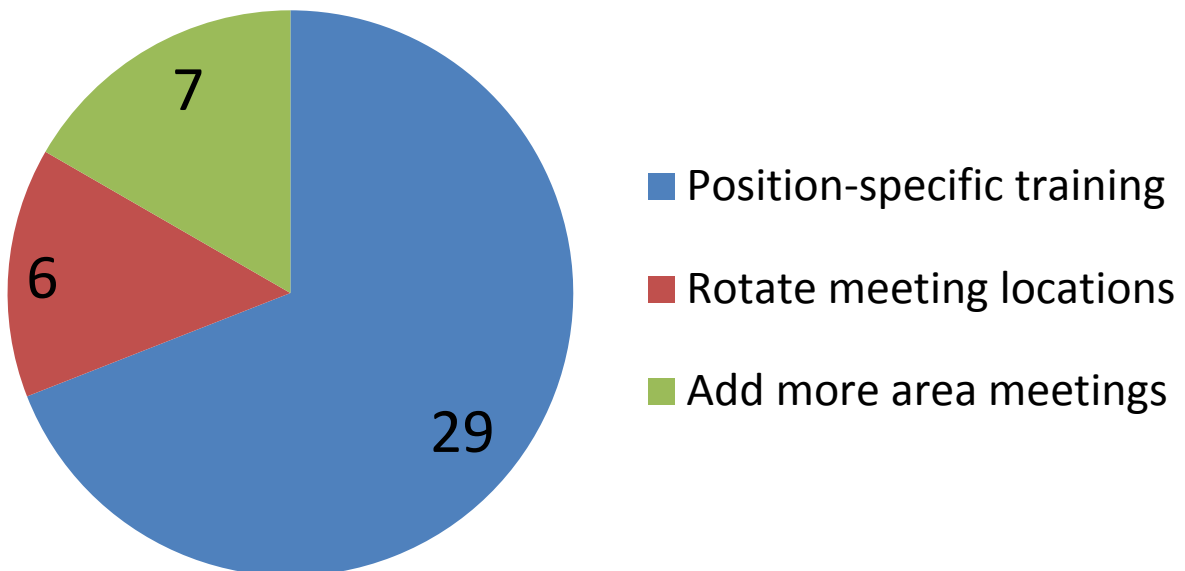

If the 2018 Summer Games starts on Friday morning, is it more important for athletes to have time to enjoy experiences such as Healthy Athletes and Olympic Town, or for athletes to have the opportunity to enter in more events?

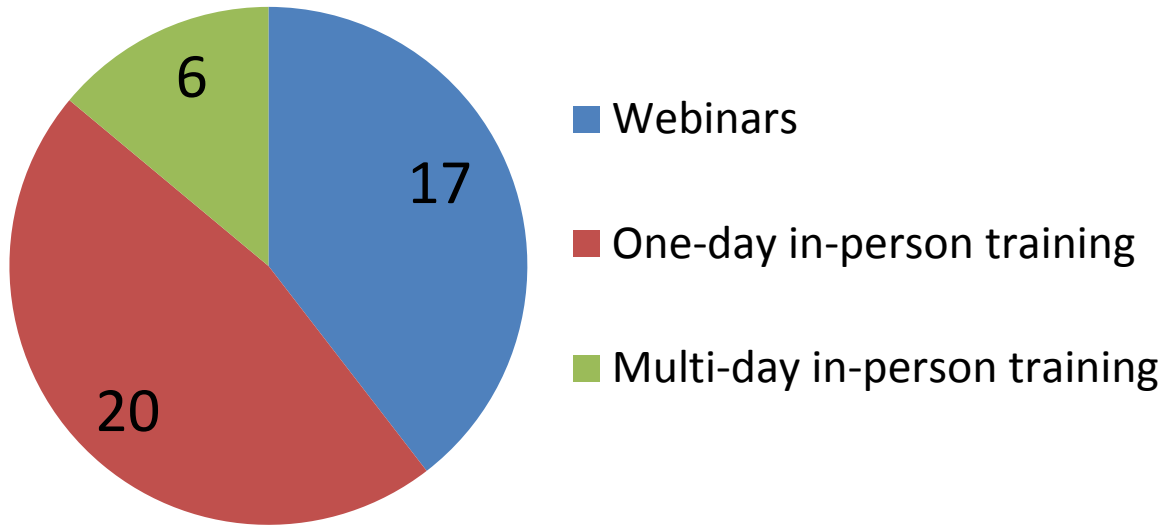

If registration costs can be overcome, would you support starting the 2018 Summer Games on Friday morning?

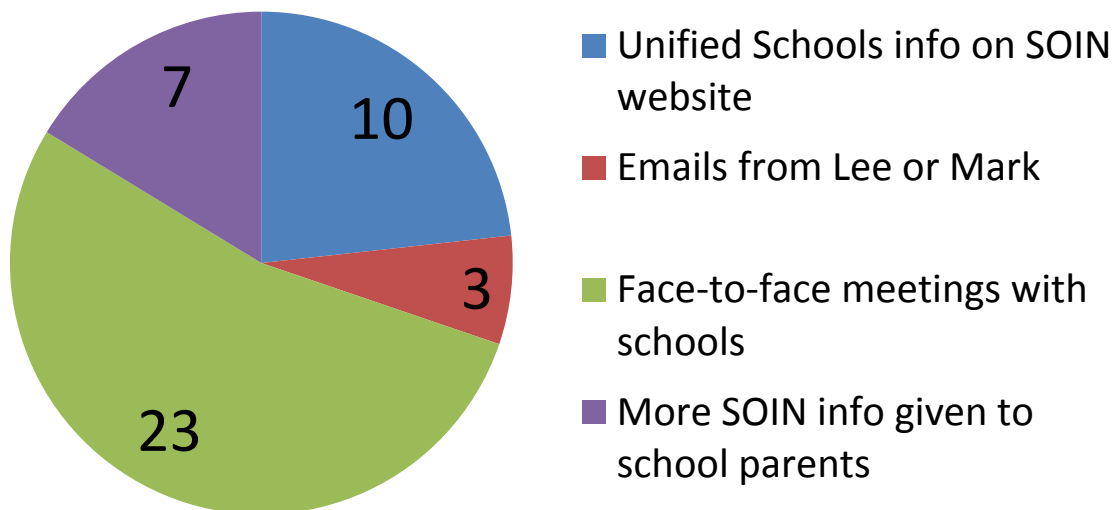

How can we add more value to area meetings?

What is the most effective training delivery method for county coordinators and area team members?

What is the best way to improve communication between county programs and schools participating in the Unified Champion Schools program?

Should county programs participating in the Unified Champion Schools program have a school representative on the county management team?
