

Hello County and Basketball Coordinators:

As usual I have put together 2 or 3 different email lists to develop this list so I may have some coordinators that are no longer involved so I ask you to forward this information to the correct person.

Your team is invited. The Seymour Noon Lions Club is sponsoring an invitational Special Olympic basketball tournament on Saturday, January 13, 2018. The tournament will be held at the Seymour Middle School located at 920 N. O'Brien Street, Seymour, Indiana. The first teams on the schedule should be prepared to start their game at 9am. We will try to schedule the teams closer to Seymour in the earlier time slots.

The Seymour Noon Lions Club has sponsored this tournament for over 30 years. The Seymour Middle School has 2 separate gyms so 4 teams will be playing at the same time. Around noon we will hold a special skills competition. This competition is for those that are unable to qualify for your regular basketball teams.

We also provide a free lunch for players and coaches. These lunches are courtesy of McDonalds, Pepsi Cola and Jay C Food Stores (Kroger). The Seymour Middle School Athletic department will have the snack bar open for family and guests.

Last year we had several unified girls team play. If there are any girl teams wanting to play, please let us know. We are hoping others will participate this year. We are looking forward to seeing you all again. I apologize if I have included you in our notification if you are no longer involved in this event. Please forward this to the correct person. Also, if you notice I have missed a county please let me know ASAP.

DEADLINE IS FRIDAY, DECEMBER 15, 2017. Please send your information for 5 on 5, 3 on 3, girls teams and skills participants to Clint Payton at clinto@paytonplaceauto.com.

Thank you,

Lion Doug Ray
