

December 8, 2018

Shelby County Special Olympics invites you to participate in our annual basketball tradition in memory of Arnie Petre on February 2, 2019. Arnie was the heart, soul and structure for Special Olympics for many years and is missed by everyone involved with our efforts.

We will be using Shelbyville High School and can handle up to 20 teams. We plan to offer two games to each accepted entry. Teams will be accepted in order of the receipt of their entry form with the registration deadline being January 11, 2018. Shelby County has 3v3, TMM levels 2, 3 and 4 and one Senior TMM teams. For other categories, we recommend that you contact me directly before sending in your forms and registration fees. If we have interest from other teams that have similar categories or skill levels, we will try to schedule the games for you. Forms must be returned via email and I will confirm each entry that I get as it is received. For those that don't know I am technically on maternity leave so if you email me you will get an automated reply, please disregard and know that I will be checking emails daily. I will be confirming by phone so please make sure to include the best phone number to reach you.

All games will be on Saturday, the 2nd of February, 2019. The first games of the day will start at 9:00 am. We will do our best to match up the teams fairly by skill levels, sectional assignments and classification depending on our entries.

We will have concessions, tumblers and t-shirts for sale. And as always, we will recognize a player in each game for spirit and sportsmanship in Arnie's name.

We are located 20 miles southeast of Indy on I-74. Please contact me with questions.

Sincerely,

Ashley Hankins
