

UNIFIED FILM PROJECT

Champions Together

SPECIAL OLYMPICS' VISION

Our vision is that sport will open hearts and minds towards people with intellectual disabilities and create inclusive communities all over the world. Within Indiana schools, sport will unite students from diverse backgrounds, create lasting friendships, and provide a safe environment for all to achieve maximum potential.

ABOUT CHAMPIONS TOGETHER

Champions Together is a collaborative partnership between the Indiana High School Athletic Association and Special Olympics Indiana that promotes servant leadership among student athletes while changing their lives as well as the lives of those with intellectual disabilities.

ABOUT THE UNIFIED FILM PROJECT

Stories educate. Stories inspire. Stories unite. As a means to share powerful stories with the community, Champions Together is hosting the first annual UNIFIED FILM PROJECT. Special Olympics Indiana invites high school students to submit films that tell impactful stories of what Special Olympics and Champions Together means to their friends and to their school.

The filmmaker of the winning and runner-up selections will receive scholarship awards. The winning selection will be unveiled at the Special Olympics Indiana Summer Games during the Opening Ceremonies, in front of an audience of 5000, on Friday, June 7, 2019.
