

Healthy Athletes

INTRODUCTION

The mission of Special Olympics Healthy Athletes®, developed in 1996 by Special Olympics International, is to improve athletes' ability to train and compete in Special Olympics. Healthy Athletes is designed to help Special Olympics athletes improve their health and fitness, leading to enhanced sports experience and improved well-being. Healthy Athletes offers exams in six disciplines, including Fit Feet, FUNfitness (Physical Therapy), Healthy Hearing, Health Promotion, Opening Eyes®, and Special Smiles®. **Encourage athletes to visit disciplines offered at State Competitions and to seek follow-up care if they have received a referral at a Healthy Athletes visit.**

OBJECTIVES

- To improve access and health care for Special Olympics athletes at event-based health exams
- To make referrals to local health practitioners when appropriate
- To train healthcare professionals and students in the health professions about the needs and care of people with intellectual disabilities
- To collect, analyze and disseminate data on the health status and needs of people with intellectual disabilities
- To advocate for improved health policies and programs for persons with intellectual disabilities
