GENERAL RULES

 - a. If an athlete arrives after the game has completed four (4) frames, or if he misses a game completely, a blind score will be given for that game.
 - b. The blind score is calculated by subtracting 10 pins from the entry score for the tournament.
 - c. For example, if the bowler's entry score is 120, the blind score will be 110 (120 minus 10).
7. Illness or Injury
 - a. If an athlete gets sick or injured once the game has started, the following procedure will be used to determine the score for the game.
