## EVERY ATHLETE, COACH, VOLUNTEER, FAMILY MEMBER, AND SUPPORTER

Special Olympics is a global movement, using sports as a catalyst for social change as we work to open hearts and minds toward people with intellectual disabilities and to create inclusive communities across the state and throughout the world. Now more than ever before, YOU are the key to our success. YOU are the reason the world is taking notice. And YOU will be the one to help carry the torch into the future as we continue our march towards a better, more inclusive world for generations to come.

*"You are the stars and the world is watching you. By your presence, you send a message to every city, every village, every nation. A message of hope, a message of victory."*
