## SPECIAL OLYMPICS INDIANA'S ATHLETE LEADERSHIP PROGRAM

Through organized training and practical experiences, Athlete Leadership programs prepare Special Olympics athletes to undertake meaningful positions of influence and leadership throughout the organization, both on and off the playing field. Now held at Butler University in Indianapolis twice each year, participants in Indiana's ALPs University have gone on to serve as coaches and volunteers in their local programs, global messengers and public speakers, and as members of County Management Teams and even on our Board of Directors.

*"You are the stars and the world is watching you. By your presence, you send a message to every city, every village, every nation. A message of hope, a message of victory."*
