ADDITIONAL INFORMATION:

1. All County Programs will conduct or compete in a County Bowling Tournament. Based on the Area Bowling Tournament entries, the County tournament will serve as a qualifying tournament or an elimination tournament. These tournaments will be held during the week of October 10 - 18, 2020. They can be during the normal practice time, but must be completed during this week. All athletes & Unified teams must compete in the County tournament to be eligible for the Area tournament. Guidelines for divisioning & hosting the tournaments will be available for County tournament use.
2. Advancement to the State Tournament is based on placement at the Area Tournament. Details will be explained at your Area's Fall meeting.
3. The State Office will transfer from each County account \$15 per athlete or Unified partner who advances from the Area Bowling Tournament to the State Tournament. Insufficient funds in the County account may result in disqualification of State advancers. There are no athlete substitutions or scratches.
4. An athlete's entry score for the Area Tournament should be his/her average based on a minimum of 12 games bowled in the training program prior to the Area Entry deadline.
5. The State Tournament entry score will be the established average, unless the Area Tournament series average is more than 30% above that established average, in which case the Area Tournament series average will be used.
6. When Special Olympics athletes or Unified Sports® partners require the use of wheelchairs or other mobility assistance devices, participation in team sports (basketball, softball, volleyball, and flag football) likely creates undue health and safety risks for that athlete and others in the game. The County Coordinator may apply to the State Office for special consideration for athletes who require such assistance. These requests will be considered on a case-by-case basis. Athletes in question should not compete at any level without State Office approval.

Send all Bowling entry forms to your designated Area contact by October 5, 2020.

NO entries will be sent to the State Office.
