SUMMER GAMES

HOUSING

1. Entries for Summer Games will be accepted on a first-come, first-served basis for housing until housing capacity is reached.
2. If housing capacity at ISU is reached, Programs may still enter by using the Off Campus entry option and secure their own housing.
3. Delegations may house swimmers and swim coaches at Rose-Hulman.

ENTRY INFORMATION

1. Refer to the Events Policy section for more details regarding entry information.
2. An athlete may enter no more than two (2) sports at Summer Games. In all, he or she may be entered in no more than four (4) events or three (3) events in Swimming. An athlete may enter no more than three (3) events in Track & Field, including relays; and no more than two (2) of those events may be field events. An athlete may enter no more than three (3) events in Cycling.
3. When Special Olympics athletes or Unified Sports® partners require the use of wheelchairs or other mobility assistance devices, participation in team sports (basketball, softball, volleyball, and flag football) likely creates undue health and safety risks for that athlete and others in the game. The County Coordinator may apply to the State Office for special consideration for an athletes who require such assistance. These requests will be considered on a case-by-case basis. Athletes in question should not compete at any level without State Office approval.

COACHES MEETINGS

- Each sport will host a MANDATORY coaches meeting prior to Summer Games. Each delegation must have a representative present for each sport in which they have athletes or a team competing.
- Delegations failing to have a representative attend the coaches meeting will lost their ability to protest in the sport for which the coaches meeting was not attended.
- Coaches meetings will contain important competition information and give coaches an opportunity to ask any final questions.
- Coaches meeting will take place via Zoom.

HEALTHY ATHLETES

Through the Healthy Athletes® program, Special Olympics Indiana athletes will receive free screenings during Summer Games in a fun, welcoming environment that removes the anxiety and fear that individuals with intellectual disabilities often experience when faced with a visit to the doctor or dentist. Our mission is to improve each athlete's health and fitness, leading to enhanced sports experience and improved well-being. Athletes should intend to visit disciplines based on medical needs or absence in health care. While participating in Healthy Athletes, an athlete may be referred to seek additional care for an identified health concern. Please encourage athletes to follow-up with a primary physician or specialist if they receive a referral.
