ADDITIONAL INFORMATION

1. All County Programs will conduct or compete in a County Bowling Tournament. Based on the Area Bowling Tournament entries, the County tournament will serve as a qualifying tournament or an elimination tournament. These tournaments will be held during the week of October 8 - 16, 2022. They can be during the normal practice time, but must be completed during this week. All athletes & Unified teams must compete in the County tournament to be eligible for the Area tournament. Guidelines for divisioning & hosting the tournaments will be available for County tournament use.
2. Advancement to the State Tournament is based on placement at the Area Tournament. Details will be explained at your Area's Fall meeting.
3. The State Office will transfer from each County account \$15 per athlete or Unified partner who advances from the Area Bowling Tournament to the State Tournament. Insufficient funds in the County account may result in disqualification of State advancers. There are no athlete substitutions or scratches.
4. An athlete's entry score for the Area Tournament should be their average based on a minimum of 12 games bowled in the training program prior to the Area Entry deadline.
5. The State Tournament entry score will be the established average, unless the Area Tournament series average is more than 30% above that established average, in which case the Area Tournament series average will be used.
6. When Special Olympics athletes or Unified Sports® partners require the use of wheelchairs or other mobility assistance devices, participation in team sports (basketball, softball, volleyball, and flag football) likely creates undue health and safety risks for that athlete and others in the game. The County Coordinator may apply to the State Office for special consideration for athletes who require such assistance. These requests will be considered on a case-by-case basis. Athletes in question should not compete at any level without State Office approval.

GENERAL RULES

3. Ramp bowlers will be placed in separate divisions.
4. Bumpers of any type shall NOT be used during competition at the County, Area or State Tournament.
5. Bowlers will be penalized for stepping over the foul line in all events.
 - a. Foul on the first ball: Reset the pins. The pin fall for the second ball is the score for that frame.
 - b. Foul on the second ball: The bowler receives zero (0) pin fall for the second ball. The score for that frame is the pin fall for the first ball.
5. Blind or Vacancy
 - a. If an athlete arrives after the game has completed four (4) frames, or if he misses a game completely, a blind score will be given for that game and they will begin bowling at the start of the next game.
 - b. The blind score is calculated by subtracting 10 pins from the entry score for the tournament.
For example, if the bowler's entry score is 120, the blind score will be 110 (120 minus 10).
6. Illness or Injury
 - a. If an athlete gets sick or injured once the game has started, the following procedure will be used to determine the score for the game.
 - i. For the remaining frames, the bowler will receive 1/10 of his average per frame.
 - ii. Example: If a bowler has an entry score of 100, they will receive 10 pins per frame for the portion of the game that they are unable to bowl.
 - b. If the injury occurs in the first game and they are unable to bowl the second or third game, he will receive a blind score for each of those two (2) remaining games.
7. Bowling Etiquette

 - b. Due to time constraints at the State Tournament, a time limit will be imposed on the slower divisions.
 - i. All morning session bowlers must complete their second game before 11:30 a.m. or they will be stopped after the second game.
 - ii. For afternoon session bowlers, they must complete their second game before 4:00 p.m. or they will be stopped.
